TUESDAY, 19TH OF SEPTEMBER

THE DRUGS OF TOMORROW: PEPTIDES AND ITS FUTURE IN THERAPEUTICS

- 8:30 – 8:45 **Welcome**
Teresa Tarragó
CEO, Iproteos
- 8:45 – 9:00 **Barcelona Science Park presentation**
Ignasi Belda
General Director, Parc Científic de Barcelona
- 9:00 – 10:00 **Peptides for molecular recognition at the surface of protein therapeutic targets**
Ernest Giralt
Head of Chemistry Program, IRB Barcelona
- 10:00 – 11:00 **Prolyl Oligopeptidase inhibition as a novel target for the treatment of Cognitive Impairment Associated to Schizophrenia**
Roger Prades
CSO, Iproteos
- 11:00 – 11:30 Coffee Break
- 11:30 – 12:30 **Characterization of protein interactions of biological interest: insights from computational models**
Chiara Pallara
Computational chemist, Iproteos
- 12:30 – 13:30 **Blood-Brain Barrier Shuttle Peptides: An Emerging Tool for Brain Delivery**
Meritxell Teixidó
Research Associate, IRB Barcelona

WEDNESDAY, 20TH OF SEPTEMBER

FROM THE BENCH TO THE MARKET: A JOURNEY THROUGH THE THERAPEUTIC DEVELOPMENT

- | | |
|---------------|---|
| 9:00 – 10:00 | Leukos Biotech, from basic science to market
Enrique Llaudet
CEO, Leukos Biotech |
| 10:00 – 11:00 | From protein engineering to novel immuno therapies against cancer
Miquel Vila-Perelló
CSO & CEO, ProteoDesign |
| 11:00 – 11:30 | Coffee Break |
| 11:30 – 12:30 | ZeClinics: From bench to market using zebrafish
Javier Terriente
CSO, Zeclinics |
| 12:30 – 13:30 | The scientist and the CFO: the unlikely couple that will set your company up for success
Xavier Sansó
CFO, Iproteos |

19th – 22nd September
Auditori Antoni Caparrós

THURSDAY, 21ST OF SEPTEMBER

THE PILLARS OF THE BIOTECH: BUSINESS FOUNDATIONS FOR MARKET SUCCESS

- 9:00 – 10:00 **The VC side of the Start-up life: Ups and Downs x10**
Alex Casta
Investment manager in Life Sciences, Caixa Capital Risc
- 10:00 – 11:00 **Is internationalization the key to success?**
Pascal Nizet
Managing Director, Pharmaphenix
- 11:00 – 11:30 Coffee Break
- 11:30 – 12:30 **The Biotech start-up Kit**
Esther Riambau
Head of Business Creation at the Innovation and Knowledge Transfer Unit, Fundació Bosch i Gimpera
- 12:30 – 13:30 **How to benefit from the R&D public support in Europe?**
Antoine Abbatucci
International Coordinator, F.Iniciativas

Iproteos

19th – 22nd September

FRIDAY, 22ND OF SEPTEMBER

SCIENCE COCKTAIL: MIXING PROFESSIONAL BACKGROUNDS

- | | |
|---------------|--|
| 9:00 – 11:00 | <p>Round table on Career Opportunities
Irene Espelta (Mind the Byte), Cristina Cano (F.Iniciativas), Rosa Pujo (Scientific Translator), Martí Jiménez (TEI BIO Barcelona), Macarena Sánchez (IRB Barcelona), Javier Selva (IBEC), Ainhoa Tolentino (Onyriq)</p> |
| 11:00 – 11:30 | Coffee Break |
| 11:30 – 12:30 | <p>The exciting journey of being a biotech entrepreneur
Teresa Tarragó
CEO, Iproteos</p> |
| 12:30 – 13:30 | <p>Scientific Monologues
Big Van Ciencia</p> |
| 13:30 – 13:45 | <p>Concluding remarks
Teresa Tarragó
CEO, Iproteos</p> |
